

# AUGUST 17

## STORMWATER POND MANAGEMENT WORKSHOP

LEARN BEST MANAGEMENT PRACTICES FOR STORMWATER PONDS IN YOUR HOA, COMMUNITY OR RECREATION SITE. JOIN US AUGUST 17, 2012, FROM 1-5PM.

Interested in learning more about the ecology of stormwater ponds and recommended methods to sustainably manage your pond? Doug Caldwell, Collier County Extension Program Facilitator, leads this workshop that includes presentations by **Dr. Mark Clark** of the University of Florida, **Dr. Serge Thomas** of Florida Gulf Coast University and **Herb Schuchman** of Island Walk Community. A panel question and answer session and tour of the Garden's stormwater pond littoral areas will follow the presentations.

Homeowners and community association members encouraged to attend. *CEUs pending.*

Registration is **FREE** but required. Call **239.353.4244** to register.
