# President's Message Alberto Quevedo, CGCS

Dear EGCSA Members,

First off I'd like to thank Brad Fox, Jason Norwell and the entire staff at Golf Club of The Everglades for a magnificent event. The course was in outstanding condition, the food was delicious and the organization was second to none. Thank you!

I hope we get some much needed rain, very soon. We are under one of the worst droughts this area has ever faced and I am sure it is safe to say that we are all feeling it to a great extent. Please make sure you keep the line of communications open with your supervisors and membership, thru these difficult times, to avoid any unforeseen issues.

As you may well know, this will be my last newsletter and my next to last event as President of the EGCSA. So, I want you to know that I sincerely thank all of you who have supported my presidency throughout the year. It would not have been possible to have all of the first class events without our sponsors, and for them I'm grateful. Finally, I extend my gratitude to the entire Board of Directors and the Chair of the Education Committee for their help and guidance during my presidency. This past year was successful, as we have worked hard to maintain our association at the highest level of excellence that is expected of the number one turf association in the State of Florida.

I want each and every one of you to know that it has been an honor for me to lead this great association. We have prevailed by means of hard work, dedication, professionalism and integrity. You should be proud to be part of the EGCSA for the 2010-2011 year. I hope you will continue to support the EGCSA in the years to come.

I'll see you at the annual meeting on Wednesday, July 13<sup>th</sup>. It will be held at Wyndemere Country Club and a new Board of Directors will be appointed.

Respectfully,

Alberto Quevedo, CGCS  
EGCSA President
