# Assistant Superintendent Meeting

**The Club at Olde Cypress**

**Thursday, October 17, 2013**

*Presented in partnership with:*

## President's Message Eric W. Ruha

Dear Fellow Member,

The EGCSA Assistant Superintendent only meeting is scheduled for October 17<sup>th</sup> at The Club at Olde Cypress in Naples. These events have been very successful in the past few years, giving Assistant Superintendent's a great opportunity to engage some very interesting speakers.

This event will have yet another outstanding speaker with Gary Grigg, CGCS, MG. Gary will be speaking on 10 points of what makes a great golf course Superintendent and he also adds....."What you didn't learn in turf school".

As Superintendent's, it is important that we keep our employees motivated and show them appreciation and gratitude. With the help of the EGCSA, our Assistant Superintendents are given opportunities like this meeting to stay motivated and engaged in the Golf Course Management industry. This event is a great way to show our assistants appreciation and gratitude for all they have done. Assistant Superintendents, Irrigation Technicians and Integrated Pest Managers are welcome to attend. The event will begin with a 2 man scramble followed by Gary Grigg's presentation.

The EGCSA Board of Directors and I strongly urge our Superintendent Members to encourage their staff to come and enjoy an afternoon of comraderie, fun and education. The networking opportunities available at these events can help to develop lasting relationships with other industry peers and help with career development.

The EGCSA Assistant Superintendent Program would not be possible without the partnership agreement with Wesco Turf, our local Toro, Inc distributor and the staff of The Club at Olde Cypress.

Eric W. Ruha  
EGCSA President
