# Assistant Superintendent Meeting

## President's Message Eric W. Ruha

Dear Fellow Member,

The EGCSA Assistant Superintendent only event is scheduled for July 24<sup>th</sup> at Quail Creek Country Club in Naples. These events have been very beneficial over the past year with such speakers as Rhett Evans, CEO GCSAA, Kurt Kuebler, CCM and Gary Grigg, CGCS, MG.

The format of our upcoming event will be different in that no guest speaker will be there, but we will have a forum discussion on budgeting with several local Superintendents. We are looking forward to some great questions.

As Superintendent's, it is important that we keep our Assistants motivated and show them appreciation and gratitude. The EGCSA Assistant Superintendent program is just one way we can do just that. This particular event will start with a 9-hole, 2 man scramble on the beautiful Creek course, followed by the roundtable discussions with hours d' oeuvres.

The EGCSA board of directors strongly urge our superintendent members to encourage their Assistants to come and enjoy and afternoon of camaraderie, fun and education. The networking opportunities available at these events can help develop relationships with industry peers and aide greatly with career development.

The EGCSA Assistant Superintendent Program would not be possible without the partnership agreement with Wesco Turf, the local Toro Inc. distributor and the team at Quail Creek Country Club.

I look forward to seeing you there!!

## OUR MEETING TOPIC

### THE BUDGET PROCESS

This will be a round table discussion on the budgeting process as it relates to golf course operations. There is no doubt the budgeting process can sometimes seem overwhelming or intimidating. Several local Superintendents have offered to come explain the planning process and share real numbers in a relaxed, peer friendly setting. Each Superintendent will give a brief summary of how they personally prepare for the budgeting process and then we will open up to the floor for specific questions. This looks to be a very unique and educational opportunity for both Assistants Superintendents and Superintendents. Please join us!!
