A BRIEF HISTORY OF THE "POA"

The Everglades Chapter of the Florida GCSA was just two years old when it invited the South Florida Chapter for a casual get-together. In 1970 a golf match was set up after this annual meeting and in 1971 it was decided to award the winners of the golf match a pail of Poa as a prize. This action would eventually lead to the current name of the event. In 1972, Doc Anderson, a local vendor offered to provide a barbeque style meal at the meeting. In 1975, the event was officially dubbed the Poa Annuia Golf Classic. As it continued to grow, other chapters of the Florida GCSA were invited and the location of the event was changed to other courses such as Lehigh, Mirror Lakes and Oxbow. While the tournament was at Mirror Lakes the board of directors of the Florida GCSA decided to hold one of its board meetings in conjunction with the event. In 1980, a permanent home was established at the Naples Beach Hotel and GC. The Poa Annuia Golf Classic has grown into one of the most enjoyable events of the year for Florida superintendents, and their families.

2015 POA ANNUA GOLF CLASSIC

This year the POA Committee is again offering two golf formats. Players may choose to play either a four-man scramble at the Naples Beach Hotel and GC, or an individual stroke play format at Hole-In-The-Wall.

The POA Champion, the Team Chapter Championship, and those trying to qualify for the State Chapter Championship will come from the stroke play tournament played at Hole-In-The-Wall. POA Stroke Play field is limited to those who carry a USGA Handicap Index below 15. Pants are to be worn, no shorts please. Prizes will be awarded in both formats and winners will be announced at the Luau. The price per person is the same for both tournaments.

Both tournaments will be filled on a first-come, first-serve basis. To secure your spot you are required to scan/email or fax your registration and it must be received before May 8th. After scan/emailing or faxing, please mail a copy of registration form with payment. Also, if you are paying to play you are required to register individually. However, please include the name(s) of player(s) you wish to play with.

NOTE: You do NOT need a full team to register – pairings will be made.

A BRIEF HISTORY OF THE G.C. HORN MEMORIAL TOURNAMENT

In 1959, Dr. Granville "Granny" C. Horn took over the leadership of the turfgrass program at the University of Florida. Within a few years, he built the program into the most comprehensive in the South and among the best in the nation. In the late sixties and early seventies, more turfgrass research was done under Dr. Horn's guidance than all the other schools in the Southeast combined. At the same time G.C. was preparing students for the "real" world of turfgrass management.

For this reason, following his death in 1982 a decision was made to establish the Dr. G.C. Horn Memorial Endowment Fund. The golf event, held in conjunction with the POA Annuia Golf Classic, is the primary fund raiser for the endowment fund. General questions should be directed to Nicholas von Hofen 239-254-2867. Golf related questions should be directed to Wayne Kappauf 239-642-5558.

Registration to the seminar is open to all FGCSA members and guests, and any interested parties in the golf course industry.

Overnight accommodations can be made directly through the Naples Beach Hotel Group Reservations at 1-800-866-1946.

CEU's by the GCSAA for Education Points, have been applied for. Any questions on the seminar should be directed to the FGCSA at 772-334-7515.

COURSE CONTENT

Building and Maintaining Effective Teams
For Golf Course Superintendents

Without teams, golf course maintenance is an impossibility. Roles and responsibilities may be specific, but working as a team enhances opportunities for efficiency and precision. Whether your organization is large or small, US based or international, teams are a necessary part of everyday interactions. To that end, superintendents must be aware of the ways to maximize teamwork in everything they do.

This fast-paced, highly interactive presentation will address fundamental issues of all teams, including communication, leadership, group effectiveness and conflict. Participants can expect to gain specific skills in how to build a team, how to motivate the members therein and how to keep it on track. They will also learn how to address problems in teams and specific strategies to make corrections and get the team back to full functionality.
