Joint Meeting with Calusa GCSAA

at Old Corkscrew Golf Club

August 20, 2015

President's Message Bryce Koch

Dear Fellow Member,

First, I want to thank everyone in the Everglades Golf Course Superintendents Association for allowing me to serve you as President. It's an honor being a part of this Association that not only provides value to our membership but continues to be a leader within the industry. The EGCSA has been fortunate to have great leaders that have guided this Association to one of the strongest in the country; I thank you for your time and look forward to the challenge and opportunity of following in your footsteps. Our steadfast commitment to research projects, government awareness, environmental issues, and the growth of our Assistant Superintendent members are vital to our success and with your support I look forward to continuing the tradition.

As we begin this year we have been hard at work putting together another great year of events at some great venues. I hope to see you at as many events as you can attend, where we will be building our education, networking with colleagues, and shooting some of our lowest scores. In fact our next event, is our Joint Meeting with the Calusa GCSA. It will be held at Old Corkscrew Golf Club on August 20th. Please make every effort to attend this event and help us win back the Spainhour Trophy for the EGCSA.

I would like to welcome Sam Mueller, Golf Course Superintendent from Vasari Country Club as our newest member to the EGCSA Board of Directors. The EGCSA Board is committed to providing you the opportunity to benefit from being a member of the Association whether through education, networking or research. If there is anything else that the EGCSA Board of Directors or I can do to assist you, please do not hesitate to contact one of us.

A big **Thank You** to the Country Club of Naples who hosted our Annual Meeting in July. I especially want to thank Billy Davidson, CGCS and his entire team for their work in hosting our Annual Meeting and Chapter Championship. The golf course was in fantastic shape.

The EGCSA is committed to and working on hosting more events throughout the year for our Assistant Superintendents. I encourage you to support the development of your Assistant and their attendance to these meetings.

Thank you again for allowing me to serve you, and I hope to see you at Old Corkscrew in a few weeks!

Sincerely,

Bryce Koch
