President's Message Bryce Koch

Dear Fellow Member,

The Everglades Golf Course Superintendents Association's Annual Meeting is scheduled for July 12th at Island Country Club. The Annual Meeting will involve a business meeting and lunch, followed by a golf event. The business portion of the meeting will include an update on the Association and elections for new Board of Director positions. The golf event will again include two flights this year. We have our stroke play competition for those that want to compete and earn the title of Chapter Champion, as well as a four person scramble for a fun and competitive round of golf with colleagues. We will recognize both Superintendent and Vendor Champion in the stroke play.

As a member of the association for the past 12 years, and working with the Board of Directors for the past 7 years, I have a greater understanding of what the Association has to offer through the events organized, the educational opportunities, the advocacy on behalf of the Golf Course Superintendent profession, and networking. I have enjoyed my time on the Board working alongside great individuals to serve the Association. If you are interested in joining the Everglades GCSA Board of Directors, please contact myself or any existing Board member to join this great team and help serve the Association.

Our Association has remained one of the strongest affiliations throughout the state of Florida because of your continual support of the chapter through membership numbers and participation in the organized events. I encourage you to continue your support of this great chapter and reach out to any potential colleagues that may like to join.

I would like to sincerely thank all of the EGCSA members for their support over the past twelve months. To all the dedicated individuals of the Board of Directors, I thank you for your help and efforts of making this another great year for the Association. It has been a challenging yet enjoyable experience to serve you and continue the success of the EGCSA.

Sincerely,

Bryce Koch
