

President's Message
Bryce Koch

Dear Fellow Member,

Our next EGCSA Assistant Superintendent meeting will be held on Tuesday, June 28th at Pelican's Nest Golf Club. This meeting is the second part of our two-part series on construction. Jason Zimmerman, CGCS is in the process of completing his second course renovation in two years, and we encourage you to take part in this year's informative, construction meeting.

The meeting will involve a 2.5 hour discussion with renowned architect Jan Beljan and Sanders Construction, on the process and the work involved at Pelican's Nest. This is a great opportunity to learn and ask questions of anything dealing with construction to prepare yourself for the challenge of renovating a golf course that our Assistant Superintendent's will face at some point in their career. Following the meeting, there will be a lunch buffet that will prepare you for a fun and challenging 9-hole golf match using the newly renovated scoring tees from last year's renovation.

The EGCSA Board of Directors strongly urge you to encourage your Assistants to participate in a day of camaraderie, fun, and education. Networking opportunities such as these can greatly help develop the careers of our Assistant Superintendent members.

The EGCSA Assistant Superintendent Program would not be possible without the support and partnership of Wesco Turf, our local Toro Distributor and Jason Zimmerman, Certified Golf Course Superintendent at Pelican's Nest Golf Club.

I look forward to seeing you there!

Sincerely,

Bryce Koch
